2nd April, 2020

The Management,
Messr. Julie's Manufacturing Sdn. Bhd.

Dear Sirs,

APPEAL FOR DONATION OF YOUR PRODUCTS

The Lions Club of JB Desa Cemerlang together with other Johor Lions Club have been working together in the preparation of deliveries of dry food and vegetables to all the affected place of Covid-19 in Pangsapuri Seri Orkid of Taman Ehsan Jaya.

All the Clubs have also embarked on the drive for donations (rice, eggs) to provide dry rations to poor and needy families affected by the MCO. We pray and hope that you could work with us by donating your products to our Lions Covid 19 Support Group so that more families either affected by the MCO and or those under quarantine could benefit from it. There is about 250 poor families having difficulty in buying daily necessities as they belong to the B40 group which some are on daily paid basis.

As all the cases we have gathered some necessities and it would be a great help if Julie's Manufacturing Sdn Bhd can provide with some necessities to provide for all the 250 houses. Which we will distribute to them on the 8th April 2020 on Wednesday at 10:30am.

In the meanwhile, kindly please work with us by the donations of your Biscuits.

Thanks so much for your help in advance and you may contact us for any enquiries.

We serve,

Lim Kok Thye

Immediate Past President for Lions Club of JB Desa Cemerlang

OC in charge of the relief program
